THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Epping in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town of Epping on Tuesday, the thirteenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sums of money the town will vote to raise and appropriate for roads and bridges.

4. To see what sum of money the Town will vote to raise and appropriate for contract with New Hampshire Electric Company.

5. To see what sum of money the Town will vote to raise and appropriate for support of the Public Library.

6. To see what sum of money the Town will vote to raise and appropriate to defray Memorial Day Expenses.

7. To see what sum of money the Town will vote to raise and appropriate for winding and care of the Church Tower clock.

8. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

9. To see if the Town will vote to authorize the Selectmen to sell any property taken by tax title or otherwise.

10. To see if the Town will vote to raise and appropriate the sum of $400.00 for control of the White Pine Blister Rust, in cooperation with the State Forestry and Recreation Department.

11. To see if the Town will vote to raise and appropriate the sum of five hundred dollars ($500) to grade and tar the West Epping Depot Road beginning at the end of the present pavement and going to the Fremont Town Line.

12. To see if the Town will vote to raise and appropriate the sum of $614.32 for Class V highways upon condition that the state contributes $2,457.27.

13. To see if the Town will vote to raise and appropriate the sum of fourteen hundred dollars ($1400.) for cleaning, scaling and painting the Epping Water Department Water Tank, inside and outside.

14. To see if the Town will vote to install water meters for the use of water from its water works system and authorize such water rates as may be approved by the proper State authorities, and for this total work to appropriate the sum of six thousand dollars ($6000.), said amount to be raised by Town notes or bonds, matters of form, rates of interest, sale and dates of payments to be left to the discretion of the Selectmen.

15. To see what sum of money the Town will raise and appropriate for civilian defense.

16. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 20th day of

February, in the year of our Lord nineteen hundred and fifty one.

JERRY L. THAYER,
RICHARD F. SANBORN,
NORMAN T. FECTEAU,

Selectmen of Epping, N. H.

A true copy of Warrant—Attest:

JERRY L. THAYER,
RICHARD F. SANBORN,
NORMAN T. FECTEAU,

Selectmen of Epping, N. H.

BUDGET OF THE

Estimates of Revenue and Expenditures for the

Compared

REPORT OF HEALTH OFFICER

1950

I am pleased to report that there were no communicable diseases in the Town of Epping in the year 1950. I have had several complaints regarding unsanitary conditions existing in the Town, all of which were taken care of.

May I suggest at this time that more precaution be taken in the future with regard to sewerage systems. This seems to be the greater source of complaint and is also the cause of spreading diseases.

EDWARD T. LAVOIE,

Health Officer

Hose Wagon

CAPT. ARTHUR BOURDON
LT. JOHN BAILEY

Secretary and Treasurer

GEORGE E. MOQUIN

House Committee

GEORGE E. MOQUIN JOSEPH SILVERIA

TOWN AUDITOR'S REPORT

This is to certify that we have audited the accounts of the Town of Epping for the year ending December 31, 1950. We have examined the accounts of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Highway Agent, Trustees of the Trust Funds, Treasurer of the Public Library. Judge of the Municipal Court, Collector of the Epping Water Department and Forest Fire Warden, and find them correctly cast with proper vouchers.

PHYLLIS THAYER DOW,
ADELINE B. GOLDTHWAITE,

Auditors of the Town of Epping, N. H.

NEW WATER SYSTEM

The Selectmen desire to report to the Tax Payers on the situation up to the present time relative to the new water supply.

We ordered the pipe for this work in July, even before preliminary work had been completed as to testing of water for quantity and quality. We were thus able to benefit by the stable price quotations at that time, even though delivery of the pipe could not be made before late in November.

After a thorough investigation we assigned the contract for digging and laying of pipe to George D. Pace Company, of Amesbury, Mass. because they were the lowest bidders. Three other contractors submitted bids — namely, Landers & Griffin, Inc., Portsmouth, N. H. Lorello and Ventressa Company, Portland, Me. and Ames Construction Company, Somersworth, N. H. The same procedure was followed in giving the contract for the pump to The Layne-New York Co. Inc.

Due to not very severe weather in December we were able to complete the excavating and laying of main pipe before the ground froze very hard. Work went well until a large yardage of solid ledge was encountered on the hill in front of Gage's house. Further yardage of ledge was met west of the railroad crossing.

Discouraging delays at times were experienced in assembling all the materials and getting the work moving. We have already expended $13,688.00 It would seem that an estimated amount of probably $10,000.00 should complete the work.

After estimated calculation of figures it appeared seemingly possible that the $31,000.00 appropriated for this work might have been too high. Your Selectmen figured every angle to reduce this figure if possible. Consequently, we agreed to borrow only $26,000.00.

This amount we were able to borrow for two percent interest from the F. W. Horne Company of Concord, N. H. We were advised later that one week after we signed for this money, due to the war situation in Korea, it would have been impossible to have borrowed money at this low rate of interest.

We have worked untiringly on this project. We have sacrificed every effort in time and study to accomplish this installation economically without sacrificing workmanship and materials. We have hired the best companies and contractors available. All we ask is your indulgence until the work is completed.

We commenced using the new water January 18, 1951. The old water supply was discontinued on this same date. There is an abundant supply of water. It is very clear and the tests are excellent. We are encouragingly pleased with the very great, many highly enthusiastic, compliments from the water patrons.

Respectfully submitted,

JERRY L. THAYER,
RICHARD F. SANBORN,
NORMAN T. FECTEAU,

Selectmen of Epping, N. H.

ANNUAL REPORT

of the

OFFICERS

of the

Epping School District

for the year

JULY 1, 1949 TO JUNE 30, 1950

OFFICERS OF THE EPPING SCHOOL DISTRICT
1950-51

SCHOOL BOARD

BEATRICE MARCOTTE, Term Expires 1951
LEONA BEAUCHER, Term Expires 1952
ELTON G. ALLEN, Term Expires 1951 (Appointed to fill unexpired term of Kendall Chase)

Superintendent of Schools

LOUIS L. RAMSAY, M.Ed.

Treasurer

WILLIAM R. MORRIS

Moderator

JOHN B. FOLSOM

Clerk

JOHN HOAR

Auditor

JOHN TILTON

Attendance Officer

LAWRENCE CARAWAY

School Nurse

CONSTANCE COOPER, R.N.

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School District in the town of Epping qualified to vote in district affairs:

You are hereby notified to meet at the Epping Town Hall in said district on the 10th day of March, 1951, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a member of the School Board for the ensuing three years.

4. To choose a member of the School Board for the ensuing two years.

5. To choose a Treasurer for the ensuing year.

6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any officers or agent of the district.

7. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

8. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the

state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

10. To see if the district will vote to raise and appropriate $550.00 to be used for the transportation of West Epping High School pupils.

11. To see if the district will vote to raise and appropriate $200.00 to be used for the transportation of other High School pupils who live more than two miles from school.

12. To see if the Town will vote to raise and appropriate $750.00 to buy playground accident insurance for Epping High School, Epping Central School and West Epping School.

13. To transact any other business which may legally come before this meeting.

Given under our hands at said Epping this 2nd day of February, 1951.

ELTON G. ALLEN,
BEATRICE MARCOTTE,
LEONA BEAUCHER,

Epping School Board

SUPERINTENDENT'S REPORT

To the School Board and citizens of Epping:

I take pleasure in presenting my first annual report as your Superintendent of Schools.

The past year has brought many changes to Epping's educational picture. A great deal of credit is due Mr. Danielson for having the district's schools functioning so smoothly that they were able to operate efficiently in the interim between Superintendents; the teachers should receive full credit for continuing their fine work during that time.

The present international and economic situation is conducive to lack of stability. Price increases in cost of living and practically all other items cannot help but be reflected in the school district's budget. It is hoped that those factors will be given due consideration.

As part of this report there will be a page devoted to Return of District Revenue, which shows the actual budget that the School District is using for the current year, (1950-51).

Epping's share of the Supervisory Union expenses this year (divided equally between equalized valuation and average daily membership) will be approximately 26%.

New Teachers

Miss Kathryn Gainey was elected to replace Miss Virginia Brown, teaching commercial subjects and arithmetic eight

Miss Doris Dearborn was elected to replace Miss Mary Jane Connor, teaching home economics and English eight.

Miss Genevieve Cloutier is teaching grades five and six replacing Miss Margaret Wood.

Mrs. Evelyn Barton was hired to teach first grade.

Mrs. Barton was a fine addition to our elementary teaching staff

New Equipment and Repairs

At the high school — new units of furniture were bought for the eighth grade room. This project should be completed with the purchase of fifteen more units for 1951-52. This is a necessary item as many of the old units now in use are beyond repairing and the new units will make for a well equipped classroom.

The tarring of the roadways leading into the high and elementary schools has been a worth while project and should be extended somewhat at both schools.

The supply room at the high school should be lined in such a way as to keep rats and mice from getting at the books and paper supplies. Many dollars worth of valuable text books are destroyed annually by rats eating off bindings and gnawing on covers.

If our shop program is to be adequate more small tools should be furnished. There is a loss of much pupil time in waiting for a tool that is already in use. A small bench saw should be available in any adequate shop program.

It is hoped that we can start a program whereby we can each year for three years, replace ten fixed seat units in grade one with mobile units. This would make the classroom much more functional and allow for a wider range of classroom activities.

The program for improvement at the West Epping schools should be continued.

Looking Ahead

There is much food for thought in the continued growth of school population. Good schools encourage outsiders to settle in a town and thereby increase its valuation. Epping should be cognizant of what is going on in surrounding towns in the influx of tax paying

population. Experiences in other towns has indicated that a town's growth is closely tied in with the growth of its educational facilities.

In closing I wish to express my appreciation to the School Board, citizens, and teachers for the friendly and cooperative spirit with which I have been received as your new superintendent.

Respectfully submitted,

LOUIS L. RAMSAY

REPORT OF PRINCIPAL OF EPPING HIGH SCHOOL

To the Superintendent of Schools, Board of Education, and Citizens of Epping:

There is no sharp dividing line between the school and home or the school and community, for each has its impression on the other, affects each other, and is dependent on each other. Epping is similar to many other New England towns in that it has had a glorious history since its founding; has its customs and traditions; all of which the high school deems necessary to pass on to the new generation of citizens. The minimum you may expect then, to be accomplished by your high school is to transfer this culture and heritage that the previous generation has known. This your school has done.

The second phase of education is best expressed by the desire of a parent to have his child live a better life than he did. The parent is not content to give his child the same advantages and culture he had in his day but rather a new culture and new advantages to help his child best adapt himself to a changing and complex world. It is here that your high school attempts to use better educational practices and new teaching techniques that have been evolved since the last generation was in high school. Many of the educational practices and school plant facilities used a generation ago are still good and necessary but in order to meet the changing needs of the youth of Epping it becomes necessary to provide always better facilities for education, to use wise learning techniques and provide a school plant conducive to learning. We know today from controlled experiments that quality and quantity of education is directly proportional to the candle power of the illum-

ination in the class room; the color of the class room; seating arrangement; height of the chairs; quality of the staff and others. These good characteristics are obtainable through financial means and the citizens of Epping should be commended for their efforts in providing the necessary funds and recognizing that even greater efforts will be needed to continue to improve and maintain the type of educational program Epping will be proud to have. Our high school plant does not compare favorably with others in this state but our educational program will compare with the best in New Hampshire.

Your children receive individual attention, enjoy learning, have well trained teachers from the regular staff and from the community. Your children have had an opportunity to study not only the regular academic subjects but also home nursing with Mrs. Patricia Blaisdell; rug making with Mrs. Constance Cooper; pottery and ceramics with Mrs. Mary Goodrich; expression with Mrs. Joan Nelson; humanities, girls shop, music, boys' cooking, airplanes, and mechanical drawing by the regular staff. These people who have given freely of their time to enrich the curriculum should be commended.

The children of Epping have been provided an extra curricular program favorable for good character growth and wise use of leisure time by their participation in girl scouts, boy scouts, clubs, intramural and interscholastic sports, debates, plays, dances, and entertainments; all of which are supervised by the high school staff from one to five evenings a week.

Epping High School has a 2% drop out rate, a 20% college success rate, and a 90% job placement rate, to compare favorably with national and state standards. The professional growth of the staff is exceptional and is indicated by the reorganization of the school library by Miss Kathryn Gainey; the reorganization of the home economics department by Miss Doris Dearborn; the continuation of work toward a master's degree by

Maurice Boulanger and Mr. Clayton Gray; and the work for a doctor's degree by the principal.

The community also has grown professionally in the past year by the contributions of study groups comprised of lay people and school staff members cooperatively planning for the educational needs of our children. One such group under the leadership of Mrs. Rachel Sanborn and Mrs. Elton Allen, has completed its study and presented a four point program of which three recommendations have been placed into effect and have already proven to be an improvement in our educational system. To such people as these, does the future of the town of Epping depend, for it is only through the cooperative planning of lay citizens and professional people that Epping can grow.

Epping has a well trained and capable staff; an intelligent and cooperative Board of Education; a superintendent, who has already proven himself the capable leader necessary for a good educational system; and all that is necessary now is the cooperative planning and understanding of the schools by the citizens of Epping.

ARTHUR T. NELSON,
Principal

REPORT OF THE MUSIC TEACHER

To the Superintendent and School Board, Citizens of Epping:

Children learn a great deal about music through songs, rhythms, folk dances and games. These activities will add greatly to their enjoyment and understanding of music.

The high school has a large Girls' Glee Club of about thirty members this year. A number of new selections, The Desert Song, Morning, O Mighty Land, have been purchased and the girls really enjoy the new music. The group are looking forward to singing at the Baccalaureate Service and graduation.

The elementary and high school students combined for a Christmas program that was presented at the Town Hall in December. Various short choral selections were given by grades one through seven. A selected group from the high school presented a pageant, Christmas By Candlelight. Through the splendid cooperation of teachers, Mrs. Elton Allen and friends this program proved successful.

It is hoped that several glee club students will be able to attend the New Hampshire Music Festival this year as those that went last year thoroughly enjoyed singing with other students from various parts of the state.

We've been fortunate in being able to buy another piano for the grade school making three in all.

In addition to the above described work the usual program has been carried out. Each child has been given instruction appropriate to his grade in music

theory, music appreciation, folk dancing and rhythm band work.

I wish to express my appreciation to the School Board, superintendent, teachers, parents, pupils and other citizens for their cooperation.

Respectfully submitted,

JEAN L. READIO,

Music Supervisor

HEALTH SUPERVISION

To the Superintendent of Schools and the School Board:

Your school nurse welcomes this opportunity to inform you in regard to what has been accomplished from the standpoint of health education during the past year.

The children received the usual yearly physical check-up consisting of an examination of teeth, tonsils, posture, vision, and hearing as well as weighing and measuring. Little Health Talks on timely subjects were given in the classrooms. Home visits have been made, and follow-up work carried out.

Probably no subject is of greater concern to parents and teachers than the health of the children in their care. The parents have shown an increased interest in establishing a closer relationship between school and home in the mutual striving for better health objectives. The Maico Individual Audiometer, a recent acquisition of our Union, has been most useful not only as a hearing test, but as a check on the possible impairment of hearing caused by measles, ear infections, scarlet fever, etc.

The West Epping Community Club sponsored a successful Dental Clinic with Mrs. Marshall Hall as chairman. Mrs. Hall arranged for the transportation and care of the children. Dental correction and treatment were given to thirty-nine children.

The T.B. Patch Test was given to pupils from the seventh grade up through High School including those sixteen years old. Those over sixteen were X-rayed when the State Mobile Unit came through. At this time the schools cooperated with the Women's Club in having

the Mobile Unit come to Epping. This year 360 children received their yearly physical examination.

Our Corrective Posture Program was carried out whereby children with poor posture were taken to the Orthopedic Clinic in Manchester for examination. The corrective exercises were followed up in cooperation with the recommendations made by the Physio-Therapist at the Clinic. The Hot Lunch Program in West Epping and Epping Schools continues to be very successful.

In closing, I wish to express my thanks for the full cooperation of the parents, teaching staff, friends, and public organizations that have given time and enthusiasms toward the betterment of our health program.

Respectfully submitted,

CONSTANCE COOPER,
School Nurse
